Here is what is happening:

AROUND THE VILLAGE

EN PLEIN AIR PAINTING - 17 of our 2022 Yellow Springs Art Show artists will be once again painting in our meadows and pathways – all around the village. They continue the legacy of the Pennsylvania Academy of the Fine Arts Country School.

MUSIC ON THE PORCH – we welcome the return of [Chris Lebresco](#) to our Lincoln Building porch to entertain you during your visit.

PICNICS, WINE, CHEESE, ART – we encourage you to bring a blanket or chairs and enjoy your picnic or wine and cheese snacks while enjoying the village and the music. [Le Garage Winery](#) and [Birchrun Hills Farm Cheese](#) will be onsite for your enjoyment in the pop-up wine and cheese shops.

BASKET RAFFLES – the Art Show Committee and volunteers have donated an assortment of baskets filled with gifts of all kinds that you will want to check out and purchase some tickets for a chance to be the winner. Your mother would be honored to get one of these elegant gift baskets on her special day. All proceeds benefit HYS.

Matt Wren, Ceramic Studio Supervisor, will be doing clay wheel throwing demonstrations in the area in front of Chester Springs Studio.

Theresa Groff will be doing a demonstration prior to her [workshops on working with Alcohol Inks](#). Theresa will be demonstrating alcohol ink techniques on multiple surfaces, in a tent in front of Chester Springs Studio.

Inside the Fine Arts Studio there will be an **HYS Kids and Teens Students Art and Pottery Exhibit**. View the artwork and original pottery created by our talented students at Historic Yellow Springs.

HISTORY WALKS – join our Tour Guides for a walk about the village and learn about our 300-year history. Tours are planned for 11 a.m. and 1 p.m. Look for the sign between the Lincoln building and the courtyard for where to gather for the tours.

SILENT AUCTION – there is still time to place a bid on the 2022 art show poster: [Fanny Kemble, Abolitionist, by Denise Sedor](#). Poster painting will be awarded on final day of show, May 15.

We are looking forward to seeing you at **ART AROUND THE VILLAGE** while you enjoy a wonderful day full of art, history, music, and fun at Yellow Springs.

DONOR SPOTLIGHT

Historic Yellow Springs wants to take this time to put the spotlight on a donor that is making a difference to our work here in the village.

This edition of our e-News will put the spotlight on:

art|Works Initiative

HYS is pleased to announce, not only a monetary gift from **art|Works Initiative**; but they also stepped up to help tackle our business and technology challenges, so we could just focus on art in the village. We thank them for this gift and deeply appreciate their support to HYS and the 49th Annual Yellow Springs Art Show.

Art|Works Initiative exists to provide business and technology solutions to artists and artisans so that they can do their art. They assist organizations in creating an environment that focuses on self-expression, art technology, services and connections. This includes robust email and other communication processes, event scheduling, equipment and more.

They told us they launched this service here as they believe Yellow Springs is an important community. They will also offer their support in volunteering at our events and hosting seminars at HYS throughout the year.

Again, a deep and heartfelt thank you to art|Works Initiative for its generosity to HYS. Look for the Donor Spotlight to be focused on additional organizations and individuals who have supported HYS and assisted us in making a difference.
