

Mixed Media Workshop with Nancy Barch at Historic Yellow Springs

Materials List

Acrylic Paints

Black, white and four other colors

Collage Elements

Papers, thin light-weight fabric, tissue paper, etc.

Waxed paper, envelopes (used), printed text (an old book in a foreign language is fun).

Canvas, Paper

Small paper or canvas to work on. Try to stay within a 16" x 20" format or smaller.

Gel Medium

This is essential. You can get it in a matte or gloss finish—the choice is up to you. I'm a matte person myself.

Paper Towels

Try to limit your supplies since this is a one-day workshop.
